VILLA CUSONA - *San Gimignano*

Villa Cusona Chianti D.O.C.G., produced with grapes from vineyards in the hilly area of the Commune of San Gimignano, can boast a centuries old tradition. Meticulous selection of the grapes is coupled with the quality deriving from natural soil conditions and the favorable exposure of the vineyards. Processing and vinification follow traditional methods while at the same time exploiting the most advanced technical equipment, thus maintaining and making the most of this wine's typical characteristics, in particular the vivacity of its drinkability. Also ages well.

Grape blend: 90% Sangiovese, 10% other.
