MORELLINO DI SCANSANO

Denominazione di Origine Controllata e Garantita

POGGIO MORETO - *Scansano*

Poggio Moreto is the product of a careful selection of grapes from the highest part of a beautiful vineyard set on a hill; the grape yield is well below average, resulting in the production of superior wines.

Traditional vinification takes place at a controlled temperature throughout the whole production process.

Grapes: 100% Sangiovese.

Maturing: 6 months in barriques.

Colour: dark ruby red.

Bouquet: intense, spicy with scents of ripe fruit, blackberries and plums.

Taste: dry, with fine, light, excellent quality tannins and good persistency.

Drink with: red meat, game, charcuterie and medium to ripe cheeses.

Serve at: 18° C.

Packaging: in cartons of six Bordeaux bottles.
